Tri Counties Bank and Self-Help Enterprises Launch Down Payment Assistance Program in the Central Valley

CHICO, CA – October 18, 2023 – Tri Counties Bank announced today a partnership with Self-Help Enterprises (SHE) to launch a new Down Payment Assistance (DPA) Program. Tri Counties Bank is funding the program with a $150,000 donation to support low- and moderate-income homebuyers in Stanislaus, Merced, Madera, Fresno, Tulare and Kern Counties.

The new program is coordinated through SHE and all home mortgages will be financed through Tri Counties Bank. Qualified low- and moderate-income borrowers can apply to receive up to 3% of their future home’s purchase price (up to $10,000) in down-payment assistance loans. All loans have a term of five years with zero percent interest and will qualify for forgiveness if terms are met.

“Tri Counties Bank is pleased to continue partnering with SHE to provide low-income buyers with the opportunity to achieve the dream of purchasing their first home,” said Aytom Salomon, Senior Vice President and Market President of Tri Counties Bank’s Greater Bakersfield region. “Our goal is to strengthen and grow our communities, especially those that have been underserved in the Central Valley area.”

First-time home buyers may also be able to obtain additional down payment assistance through other programs available through Tri Counties Bank, including:

- Tri Counties Bank’s Homeownership Access Program
- CalHFA Down Payment Assistance Program
- California Dream For All Shared Appreciation Loan Program
- Workforce Initiative Subsidy for Homeownership (WISH) First-Time Homebuyer Program

“This partnership with Tri Counties Bank is vital to bringing home ownership within reach for hard working families in the San Joaquin Valley,” said Tom Collishaw, CEO of SHE. “Owning a home continues to be the most important path to economic security in this country.”
