Guillermo Sandoval  
Community Reinvestment Officer  
Tri Counties Bank

Dear Guillermo,

Congratulations! Community Housing Improvement Program has chosen Tri Counties Bank to receive its 2016 Outstanding Partner Award. This award goes to individuals or organizations whose work significantly helps us carry out CHIP's mission of providing affordable housing and related services to the North State. Past recipients include Sunseri Construction and Community Economics, Inc.

Tri Counties was chosen for several reasons: the volunteer support we received from Jocali Nakao as an associate member since 2015, the presence or support of Tri Counties Bank employees both online and at events, and the financial support you have provided our organization. In addition, the Bank has provided needed capital through the past 30 years to support the success of CHIP's Self-Help Program.

We would like to present you with this award at our next board meeting on **Tuesday, January 24 at 5:30 p.m.** Please RSVP by **January 17** to [dgonzalez@chiphousing.org](mailto:dgonzalez@chiphousing.org).

Thank you again, and we look forward to a continued partnership with Tri Counties Bank.

Sincerely,
