**Tri Counties Bank Expands Bay Area Presence with new San Francisco West Portal Branch,
Opening in Late Summer 2025**

CHICO, CA – JULY 09, 2025 — Tri Counties Bank announced the upcoming opening of a new branch in the heart of the West Portal neighborhood of San Francisco, California, at 279 West Portal Avenue. The new West Portal branch will provide local businesses and residents with even greater access to personalized financial solutions, backed by Tri Counties Bank's commitment to exceptional service and local decision making.

"Our focus is to provide West Portal with a superior banking experience through personalized service and a full range of strategic financial solutions," said Scott Robertson, Senior Vice President and Head of Community Banking. "Instead of traditional teller lines, the West Portal branch features five relationship desks where you can sit down with a banker who not only processes transactions but also gets to know you. They will suggest customized solutions based upon your specific needs, whether it be buying a home, saving for the future, or growing a business."

The new full-service West Portal branch will also offer dedicated customer parking, lobby hours from Monday – Friday 9 A.M. to 5 P.M., and night drop services. A walk-up ATM will be available 24 hours a day, seven days a week, featuring immediate credit on all cash deposits. It is expected to open in late summer 2025. It was formerly the site of a First Republic Bank branch.

The new branch will be led by previous First Republic Bank employees, well known to the West Portal community:

- Anthony Cuadro, Managing Director of Private Banking
- Odette B. Dayans, Private Banking Team Lead
- Suzie Cay, Branch Manager
- Kim Lamb, Senior Business Banker
- Wendy Ng, Operations Administrator

For more than 50 years, Tri Counties Bank has offered a comprehensive suite of financial solutions that rival those offered by larger banks, but with the flexibility and superior local service that customers deserve. Led by financial experts with deep ties to the community, the new branch will offer tailored financial products and services designed to meet both personal and business needs of the West Portal community.
