**Tri Counties Bank Opens Newest Location in the West Portal Neighborhood of San Francisco**

**SAN FRANCISCO, CA – SEPTEMBER 8, 2025** — Tri Counties Bank announced the opening of its newest San Francisco branch in the heart of the West Portal neighborhood at 279 W. Portal Avenue. The new full-service location provides local businesses and residents with greater access to personalized financial solutions, backed by Tri Counties Bank’s commitment to exceptional service and local decision making.

The West Portal location offers dedicated customer parking, lobby hours Monday – Friday 9 A.M. to 5 P.M., and night drop services. A walk-up ATM is available 24 hours a day, seven days a week, featuring immediate credit on all cash deposits.

“Our focus is to provide West Portal with a superior banking experience through personalized service and a full range of strategic financial solutions,” said Scott Robertson, Senior Vice President and Head of Community Banking. “Instead of traditional teller lines, the West Portal branch features five relationship desks where you can sit down with a banker who not only processes transactions but also gets to know you. They will suggest customized solutions based upon your specific needs, whether it be buying a home, saving for the future, or growing a business.”

The West Portal branch is led by former First Republic Bank employees who are well known in the West Portal community:

- Anthony Cuadro, Managing Director of Private Banking
- Odette B. Dayans, Private Banking Team Lead
- Suzie Cay, Branch Manager
- Kim Lamb, Senior Business Banker
- Wendy Ng, Operations Administrator

For more than 50 years, Tri Counties Bank has offered a comprehensive suite of financial solutions that rival those offered by larger banks, but with the flexibility and superior local service that customers deserve. Led by financial experts with deep ties to the community, the West Portal location offers tailored financial products and services designed to meet both the personal and business needs of the West Portal area.
